CSSP 2021 ANNUAL CONFERENCE NOVEMBER 11-13, 2021
VAIL MARRIOTT MOUNTAIN RESORT—VAIL, CO

Embracing Change: School Psychology in a Transforming World

CSSP ~ Advancing Leadership & Professional Practice

This year's conference theme, **Embracing Change: School Psychology in a Transforming World** reminds us of the importance for educational professionals to change as the world around us changes. Change provides us an opportunity to disrupt our current thought processes and way of practicing to reinvent ourselves to better serve our students. We are experiencing a time of unprecedented personal and professional changes due to COVID-19 and our country's continued struggle for equality and social justice, which present opportunities to learn new and different ways of assessing and providing services to our students. Reconnect with your colleagues while we embrace change together to make this school year one of our most productive ever!

NASP & CDE Approved CPDs

CSSP is approved by the National Association of School Psychologists (NASP) to offer continuing education for school psychologists (approved provider #1032). In addition, all CSSP approved hours will count towards CDE licensure renewal, including the new requirement of 10 hours of training in special education and behavioral health.

Registration & Lodging Information

CSSP will follow CDHPE and Eagle County COVID-19 guidelines throughout the conference
