Colorado Society of School Psychologists

Mission Statement

The mission of CSSP is to strengthen the effectiveness of school psychologists in addressing the academic, social, and emotional needs of children and youth in Colorado.

Belief Statement

We believe that school psychologists have a unique niche in the educational process. We are grounded in research-based educational and psychological practice and collaboration skills that allow us to provide the leadership necessary for the educational change process.

Membership

Regular members ($65) are licensed or license-eligible by CDE as a school psychologist, actively engaged in the field of school psychology, trained in the field of school psychology and functioning as a supervisor or consultant for school psychologists, or retired from the practice of school psychology.

Early Career members ($40) are within three years of graduation and licensed or license-eligible by CDE as a school psychologist, actively engaged in the field of school psychology, trained in the field of school psychology and functioning as a supervisor or consultant for school psychologists.

Associate members ($65) are engaged in a closely related field of education or mental health and not eligible for regular membership. Associate members cannot vote or hold office.

Student members ($25) must be enrolled in a graduate-level training program for school psychologists. Student members may vote but may not hold elected office.

Life membership is open to persons who have reached 55 years of age, are retired, and who have been regular CSSP members for the 5 years previous to the life membership application. Life members can vote and hold office. Membership dues are waived. Please contact Franci Crepeau-Hobson at franci.cssp@gmail.com for more information.
